NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call, (800) 758-8052 for information regarding the trustee's sale or visit this Internet Web site, www.homesearch.com, for information regarding the sale of this property, using the file number assigned to this case, T.S.# 9948-5227. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet Web site. The best way to verify postponement information is to attend the scheduled sale. If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee and the successful bidder shall have no further recourse. NOTICE OF PUBLIC HEARING

PROJECT:
SUSTAINABLE SANTEE PLAN

Notice is hereby given by the **DEPARTMENT OF DEVELOPMENT SERVICES**, of the **CITY OF SANTEE** that a **PUBLIC HEARING** on this project will be held before the **SANTEE CITY COUNCIL** at the **SANTEE CITY COUNCIL CHAMBERS**, at 10601 Magnolia Avenue, Santee, California at 7:00 p.m., Wednesday, August 28, 2019.

SUBJECT: The proposed Sustainable Santee Plan ("Project") provides policy direction and identifies actions the City and community will take to reduce the generation of greenhouse gas (GHG) emissions consistent with State of California goals and targets. A variety of State-level actions including California Assembly Bill 32 (AB 32), Executive Order S-3-05 (EO S-3-05), Executive Order B-30-15 (EO B-30-15) have set goals and targets to reduce mass GHG emissions to achieve an 80% reduction in 1990-level GHG emissions by the year 2050. Intermediate goals and targets, set by the State of California, include reducing GHG emissions to 15 percent below 1990 emissions by 2020 and 40 percent below 1990 emissions by 2030. The Sustainable Santee Plan would also work to achieve per-capita GHG emission levels by 2030 in conformance with Senate Bill 32 (SB 32) and the California Air Resources Board 2017 Scoping Plan.

The Sustainable Santee Plan describes the existing regulations pertaining to climate change, calculates baseline GHG emissions produced within the City, projects GHG emissions, identifies reduction strategies to meet State GHG reduction targets, and calculates GHG emissions reductions with implementation of the identified reduction measures.

Final Program Environmental Impact Report (SCH# 2017081030) - The City Council will also consider certification of the Final Program Environmental Impact Report (EIR) for the project. The EIR analyzed seven areas that were identified in the Initial Study as having potentially significant environmental impacts. The areas analyzed are Aesthetics, Air Quality, Biological Resources, Global Climate Change and Greenhouse Gas Emissions, Hazards and Hazardous Materials, Land Use and Planning, and Wildfire. Of these seven areas, Aesthetics and Hazards and Hazardous Materials were evaluated as having potentially significant impacts. However, all potentially significant impacts would be mitigated to less than significant levels. The EIR also evaluates two alternatives to the proposed project: A No Project/No Plan Alternative and an Accelerated Reduction Program Alternative. The EIR concludes that the proposed Sustainable Santee Plan is the environmentally superior alternative as compared to the project alternatives. Copies of the EIR are available for review at the offices of the Department of Development Services at Santee City Hall, 10601 Magnolia Avenue, Santee, CA 92071 and at the Santee Branch Library located at 9225 Carlton Hills Boulevard, Santee, CA 92071.

ADDITIONAL INFORMATION: Pursuant to the California Government Code, please take notice as follows: If you challenge the action described in this written notice in court, you may be limited to raising only those issues you or someone else raised at the public hearing, or in written correspondence delivered to the City of Santee at, or prior to, the public hearing. A right to appeal a City Council decision is governed by the California Code of Civil Procedure Section 1094.5. The time limit to file for judicial review of a City Council decision is governed by the California Code of Civil Procedure, Section 1094.6.

The City of Santee complies with the Americans with Disabilities Act. If you require reasonable accommodations for this meeting, contact the City Clerk's Office at 619-258-4100 at least three (3) working days prior to the date of the public hearing. If you have any questions about the above proposal or want to submit comments, you may contact the Project Planner John O'Donnell at the Department of Development Services, 10601 Magnolia Avenue, Santee, CA 92071; phone 619-258-4100, extension 182. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property.
