NOTICE IS HEREBY GIVEN

that the Board of Directors of the Helix Water District ("District") invites and will receive sealed Bids up to but not later than **3:00 p.m. on Thursday, February 11, 2021** at the District's Administration Office, located at 7811 University Avenue, La Mesa, California, for the furnishing to District of all labor, equipment, materials, tools, services, transportation, permits, utilities, and all other items necessary for **CONSTRUCTION OF GROSSMONT RESERVOIR OVERFLOW RETROFIT PROJECT CIP20017** (the "Project"). Bids received after said time shall be returned unopened. Bids shall be valid for a period of 60 calendar days after the Bid opening date.

Originally constructed in 1978 as part of the Grossmont Reservoir project, a 30-inch diameter reinforced concrete overflow pipe conveys overflow water from the Grossmont Reservoir north and south tanks into the city of La Mesa's storm drain system. District staff researched alternate methods and developed a design to further protect the reservoir from the risk of backed up storm drain water into the overflow piping resulting from unforeseen obstructions to the city's storm drain system or the 30-inch overflow pipe. The

Legal Notices-CAL

retrofit to the overflow piping will additionally meet the air gap requirements of the state of California's Department of Drinking Water.

As part of the District's COVID-19 transmission mitigation efforts, the District is prioritizing the health and safety of its customers, employees and contractors. Therefore, the District will not be conducting an in-person public bid opening or an in-person pre-bid meeting.

Bids must be submitted on the District's Bid Forms by mail, certified mail, or by hand delivery at the District's Administration Office. The District will make a District Representative available to accept hand delivered bids at the District's Administration Office beginning two hours prior to, and continuing up to, the due date and time for submission set forth above. Bidders desiring to hand deliver their bids shall ring the District's doorbell during the aforementioned time frame and ask for the District Representative to submit their bids. Hand delivered bids will be time stamped when received. All Bids must be received by the District by the due date and time for submission set forth above. Bidders are reminded to check with mail delivery services on delivery dates to ensure timely delivery of Bids by the posted bid due date and time. Bidders are solely responsible for ensuring Bids are received by the District on time. The District will not be responsible for any delay in delivery by any mail delivery service.

Bid opening will be conducted virtually and telephonically. Bidders submitting Bids and the public may join the bid opening meeting from a computer, tablet, or smartphone, or call in to the meeting via telephone. To reduce the likelihood of virus transmission through contact with submitted documents, the District will hold the public bid opening several days after the bid submission due date. The public bid opening will take place at **10:00 a.m. on Tuesday, February 16, 2021.**

Information needed to access the virtual and telephonic bid opening meeting will be sent to all registered plan holders listed on Construction eBidBoard for this Project at least 72 hours prior to the bid opening. Also, bidders may request information to access the virtual and telephonic bid opening meeting by contacting the District's project manager **Chris McRae at chris.mcrae@helix-water.org** by the bid submission deadline.

The bid security will be declared forfeited if the successful Bidder fails to comply within said time. No interest will be paid on funds deposited with District.

A non-mandatory Pre-Bid Conference is scheduled for **8:30 a.m. on Thursday, January 28, 2021** to review the Project's existing conditions virtually and telephonically. To participate in the Pre-Bid Conference via computer, tablet, smartphone, or call in to the meeting via telephone, contact the District's project manager, **Chris McRae at chris.mcrae@helix-water.org by 7:00 a.m. on Thursday, January 28, 2021** to be provided with a link for web meeting or the phone number with access code. A copy of these prevailing wage rates may be obtained via the internet at: www.dir.ca.gov/dlsr/.

In addition, a copy of the prevailing rate of per diem wages is available at the District's Administration Office and shall be made available to interested parties upon request. Note, due to the District's COVID-19 transmission mitigation efforts, interested parties must follow particular procedures when reviewing prevailing wage information at the District. The District will explain these procedures upon request of interested parties. The successful bidder shall post a copy of the prevailing wage rates at each job site. It shall be mandatory upon the Bidder to whom the Contract is awarded, and upon any subcontractors, to comply with all Labor Code provisions, which include but are not limited to the payment of not less than the said specified prevailing wage rates to all workers employed by them in the execution of the Contract, employment of apprentices, hours of labor and debarment of contractors and subcontractors.

This Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. In bidding on this project, it shall be the Bidder's sole responsibility to evaluate and include the cost of complying with all labor compliance requirements under this contract and applicable law in its Bid.

Unless otherwise provided in the Instructions for Bidders, each Bidder shall be a licensed contractor pursuant to sections 7000 et seq. of the Business and Professions Code in the following classification(s) throughout the time it submits its Bid and for the duration of the contract: **Class A.**

The District requires that all materials, methods and services utilized by the Contractor for this Project be in conformance with the current edition of the Water Agencies' Standards Specifications for Potable Water, Recycled Water and Sewer Facilities ("Standard Specifications"). Substitution requests shall be made within 35 calendar days after the award of the contract. Pursuant to Public Contract Code Section 3400(b), the District may make findings designating that certain additional materials, methods or services by specific brand or trade name other than those listed in the Standard Specifications be used for the Project. Such findings, as well as the materials, methods or services and their specific brand or trade names that must be used for the Project may be found in the Special Conditions.

District shall award the contract for the Project to the lowest responsive, responsible Bidder, as set forth in 00300 - Bid Form, provided the Bid is in conformance with the instructions provided herein, and that it is in the interest of the District to accept it. Notice is hereby given by the DEPARTMENT OF DEVELOPMENT SERVICES, of the CITY OF SANTEE of the availability for public review of a **DRAFT MITIGATED NEGATIVE DECLARATION** associated with the following applications:

SUBJECT: Applications for a Conditional Use Permit (P2019-5) and Environmental Initial Study (AEIS2019-10) for the development of a self-storage and recreational vehicle (RV) storage facility developed in two phases. Phase I would construct three storage buildings with a maximum building height of 39 feet totaling approximately 89,500 square feet (including a caretaker's residence) and provide RV storage parking. Phase II would eliminate the RV storage parking and replace with two self-storage buildings with a maximum building height of 33 feet totaling approximately 58,900 square feet. The project site is located at 8708 Cottonwood Avenue (Assessor's Parcel Number 384-370-25-00).
Project Applicant: All Right Storage, Inc.
Project Planner: Christina Rios

PUBLIC REVIEW PERIOD: The Draft Mitigated Negative Declaration will be available for public review and comment from January 22, 2021 to February 22, 2021. NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information

about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 800-683-2468 option 1 or visit this Internet Web site www.servicelinkASAP.com, using the file number assigned to this case 2020-05045. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 800-683-2468 option 1, or visit this internet website www.servicelinkASAP.com, using the file number assigned to this case 2020-05045 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse.
